Mr. and Mrs. Robert Horton
Apt. 401, Condominio
San Luis, Puerta de Pierra
Puerto Rico

Dear Folks:

Sue and I are anxiously awaiting your trip home. Our associations last Christmas were so pleasant that we have recalled them many times since then. We know that the same wonderful association is in store for this visit.

Your young friend from there is making a good adjustment at Tech. I see him almost daily on the campus and almost every Sunday at Church. We are expecting to enjoy his company during the Christmas Holidays.

I hope that the young Horton will make the trip satisfactorily and that he will enjoy his Mother's native habitat. We can hardly wait to see the baby who must be half-grown by now.

Bob, I am especially writing to ask that you lead our singing at both of the morning services and the evening service on December 24. I know this will be soon after your arrival but feel sure that you can be in good shape. If for some reason you will be unable to lead at all of these services, please let me know by return mail; otherwise, we will be looking forward to your participation in all of these services.

Fraternally yours,

John Allen Chalk
